

Piano Concerto Confirmation Form

- All young soloists are encouraged to participate.
- The movement should be approximately 4 minutes in length. Cuts may be necessary and must be confirmed with Mrs. Haun and/or Mr. Jensen
- The quality of the benches at our performance venues is unpredictable. If this is a concern, you should bring an adjustable bench and foot rest.
- There are usually 2 performances at each venue. If the student is a first-time participant and is performing in the second assembly, he/she must arrive in time to see the first assembly.
- Your tax deductible donation helps ensure the success of our music education program – the minimum suggested donation is \$50. Please bring your donation on the day of the performance.

Please type or print legibly. As soon as you have your date, email the completed form to June Haun (errol.haun@yahoo.com) or Michael Allen michael@insidetheorchestra.com, or you may fax to (303) 429-4292.

Please take a copy of this confirmation with you on the day of the performance - if you have trouble finding the venue or something happens on the way, call (303) 355-7855.
