## ISO PROGRAM EVALUATION

Thank you for hosting Inside the Orchestra (ISO) at your school. We hope that it was a valuable experience for your students and staff, and that everyone enjoyed the program.

Your feedback is important to us. This evaluation form is a valuable tool in measuring impact and success, and helps us to continue to enhance and refine our programs. It is also a vital component of our efforts to raise the funds necessary to continue offering our programs with no direct cost to the schools.

Please take a moment to fill out this questionnaire and return it in the attached envelope. You may also return it via email to [julie@insidetheorchestra.com](mailto:julie@insidetheorchestra.com).

Because our resources and capacity are limited, we try to visit to schools only once every 3 to 5 years so that we can reach as many schools as possible. However, requests for ISO visits are always welcome and greatly contribute to making the case for support to our funding partners.

If you would like for ISO to return to your school, please contact [julie@insidetheorchestra.com](mailto:julie@insidetheorchestra.com) for information about how to get on our wait list.

There are many opportunities for you to contribute and participate in the music education programs of the Junior Symphony Guild.

- Please network with your colleagues in your school district and let them know about our program and the impact it had on your students.
- Please let your district music coordinator know that you appreciate their recommendation to have us visit your school.
- The JSG is a membership organization and memberships are very affordable. To become a voting member of the JSG, contact Jessica Jones (membership director) at [jessica@insidetheorchestra.com](mailto:jessica@insidetheorchestra.com).

*Thank you for your time – we look forward to our next visit to your school.*
